ADMIRING ADDISON

Do you know how many times I wrote you, asking you to show pictures of Addison Rose? I've seen her in bunches of dirty movies and I knew that eventually she had to take her clothes off for you guys.

I know I've been harsh in some of my letters to you, but I was just being impatient. The truth is, Addison was worth the wait. Those perfect boobies, that big smile, that wholesome prettiness—she's the picture-perfect teen cream-queen. Thanks for listening!

Rocky
Yankton, SD

Dear Rocky,

You ask how many times you wrote, demanding we run photos of Addison? We checked your file and 12 of your letters were regarding Miss Rose. There were also seven stating your pro-pubic hair position, three outlining the reasons girls shouldn't have public hair, and two regarding the second Bush administration. This, of course, doesn't include the dozens of your letters that we have forwarded to the various ladies. Keep the suggestions coming!

VAL'S SWEATER-MEAT

Dear PURELY 18,

What's cookin'? I'll tell you what's cookin', and that's Valerie. You remember Val, she was in your January issue. Perhaps the only girl in the world who can make a sweater-vest sexy. It didn't hurt matters that she wore wonderful white panties and took them off oh-so-slowly, giving us a little window-of-opportunity view before showing off the whole muffin.

Do you remember the blue vibrator and how she played with it, shoving it into her tight pussy, her teenage wetness lubing the way to what was probably her first orgasm. I hope she got off, because I have cum dozens of times looking at those pictures. I want to fuck that girl so bad, I can't even tell you!

Gerry
Sun City, AZ

Dear Gerry,

It's funny that you would bring up Valerie's sweater- vest, as many other readers wrote of the same thing. We're surprised that everyone wasn't talking about the

great knockers beneath those conservative threads! As for Miss V and her orgasms, we don't know if she got off during the shoot, but we know lots of guys like you have got off to the pictures since then!

CAMELTOE CUTIE

Dear PURELY 18,

Can you please explain, once and for all, what our fascination with cameltoe is? I think it's my very favorite thing in the world, this cameltoe, and what a delight it was seeing Adel, Teen Queen of the Cameltoe, in your magazine (Jan. 2008)!

I have been captivated by the cameltoe for decades now. It is that rare combination of a puffy pussy and tight slacks or panties that allows us that slight, innocent peek into a girl's girliness. Adel is the perfect example, that lovely snatch packed into those light-blue panties—it was so pronounced, you could almost see the outline through her skirt! And then, naked, her fuzzy, little hole wet with teen anticipation, her flesh spelling out her carnal desires.

Also, I really want to know when and where the Teen Queen of the Cameltoe competition is being held—I need to submit my request for vacation time.

Philip
Old Rimrock, NJ

Dear Philip,

Thank you for your letter, you are a true American. After all, what are the three loves that define Americans? Baseball, hot dogs, and cameltoe. Wave those flags, guys, girls love a patriot!

WET CRYSTAL

Dear PURELY 18,

My great-uncle—who, we learned after his untimely death under mysterious circumstances, wasn't actually all that great—used to tell me not to judge a book by its cover. Do you know where that got me? Do you know how many books by Mailer and others I skipped over because I didn't base them on their covers? It set my education back by years.

So I quit heeding that bad advice, and never have I been so greatly rewarded as the January issue of PURELY 18—which I purchased based on Crystal, whom I saw on the cover. Holy hot wheels, mister, she is gorgeous!

I think it was the moment of peril—when I saw Miss Crystal in that tub with the dildo and all I could do was say, "Watch out, pretty thing, don't get shocked!" As we know, everything turned out just fine and with sexy results. What I would give to run my fingers down and around the short and curlies she keeps so nicely trimmed, framing that soft, pink center. She'd have no use for that vibrator, I'll tell you that!

So while I may disagree with your policy of mixing sexy teens, water, and electrical devices, I am a fan of your putting beautiful girls on the cover and backing it up with several pages of even hotter shots on the inside.

Mark
Battlefield, VA

Dear Mark,

A lot of hard work goes into selecting our cover shots, so thank you for noticing. We were thrilled when Crystal first strolled into our Teen Towers offices, and we couldn't be happier with how her photos turned out. Let's hope she comes back real soon!

Krista

NATURE NOOKIE

This 18-year-old fox loves to play with herself in the out-of-doors. Not shy, obviously, Krista loves to show off and doesn't back down when people pass by. With her trusty vibrator for (im-)moral support, Krista gets her own juices flowing. There are always guys offering to join her on the blanket, and fuck her pussy good, but Krista's satisfied to poke her own pussy and not owe anybody anything. You go, Krista—by the way, may we join you on the blanket?!

What goes through the mind of a young girl is fascinating fodder. Each month, Purely 18 gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Ember, a curious 18-year-old, as she ponders her world of . . . what else . . .SEX!

A Young Girl's Diary

Dear Diary,

What is it with parents that makes them talk to teenagers like little babies? I am so sick of it! Like stop it already—I'm an adult now!

This time we were just finishing dinner and Dad thought it was a good time to warn me about sex again. He was like, "You're a big girl now, and any day boys are going to be trying to diddle you." The way he talks! He's like some weird tv dad from the 1980s or something. He can't even just say "vagina" or "pussy," instead he calls it my "honeypot" and my "heavenly goodness," and he calls my boobs "squeeze-'ems." What a weirdo! My mom's all, "Oh dear, your father is just worried that someday you'll have, well, feelings for boys, and they're going to try to stick it in your wicket." I'm all thinking, Duh! They still think their little girl is a virgin, little do they know that my seal has been broken and good!

You're probably sick of hearing about it, but I LOVE SEX!!! I can't stop saying it. I can't stop thinking about it. I can't stop DOING IT! I love having a guy's hard cock in my jelly doughnut and there's no way in hell Mom, Dad, or anyone is ever going to stop me from fucking whenever I feel like fucking. I swear that when I move out of the house I am going to fuck a different guy every night and I'm gonna screw a girl, too. You know how I've always wanted to do that. Everybody says girls know what girls want. I think guys know what I want real well, so if girls are better I don't know what I'm going to do! I'll be fucking so much that I won't even be able to work and I won't even care!

Anyway, I guess Mom and Dad must have seen something on the news about young people meeting on the internet and having sex, so they said they're going to do some spot monitoring while I'm on the computer. They are so stupid—everybody knows that texting is where it's at. Computers are stupid. My parents are so lame, they probably think books are cool! And stone tablets! "Look at me with my stone tablets! Sex is stupid! Blah, blah, blah!"

Then they wouldn't let me leave the table so guess what I did! I was wearing my blue and white skirt and I was totally playing with Jane under the table. So they're all like "Sex is dumb, blah, blah, blah," and I'm like playing with my clit trying to see how far I can go without moaning or even changing my breathing. It was fun! I think I'm going to be one of those people who likes to have sex in public. You know how some people think it's cool to have sex when other people might catch them, like on the beach or in a car or in a bathroom? I think of things like that sometimes and I get really hot. Sometimes I even wish that I could get somebody to take pictures of me. I wonder why nobody ever asks? By hearing my parents talk about it, you'd think every guy in town was lining up at the door with a camera and a hard-on. I wish!

Dear Diary,

I have fulfilled one fantasy and discovered a million more! Today Mark and I were just wandering around the halls during our free period and we ended up on the stage in the theatre

> **"I pulled his dick out of my mouth and it splurted on my face and I kept jerking it really fast and he kept cumming on my face."**

and I gave him a blowjob right there! There was nobody else around and it was dark in there, but I imagined that the place was full and people were watching and cheering and guys were jerking off and girls were squeezing their tits and offering blowjobs to all the guys, inspired by my performance. I was totally daydreaming and then Mark jerked as he was about to cum and it kind of snapped me out of it and I pulled his dick out of my mouth and it splurted on my face and I kept jerking it really fast and he kept cumming on my face. His grunts echoed in the theatre and I was sure someone was going to come in and there I was with cum all over my face and in my hair and on my blouse! He was like a super-soaker—it was so hot! If we had time, I totally would have fucked him right there and I think I would have kept fucking even if someone did walk in. I'm getting hot now just thinking about it! Is this weird? Should I be ashamed of my sexuality? Or is it okay to spread the love by spreading my legs? I mean, it feels so natural. Sex feels so good, I just can't believe that it's really wrong.

CLASS DISTRACTION

It's not always easy being a pretty girl. How is just-18 Jassie supposed to learn anything when all the guys keep staring at her? It's hard concentrating on American history when the teacher (and every other guy in class) is checking you out. Whenever Jassie enters a room, the sexual tension rises. No wonder she's horny all the time! Poor Jassie! She doesn't even try to look sexy. It's not her fault her long, pretty legs turn the guys on. It's not her fault her doe-like eyes drive them to distraction. What's a girl to do? Don't worry, Jassie! American history's boring, anyway.

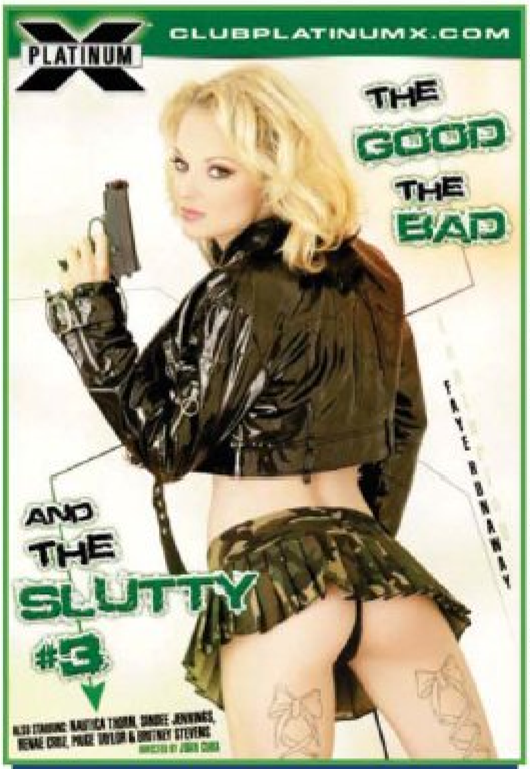
THE GOOD THE BAD AND THE SLUTTY #3

Story By Acme Andersson



PLATINUM X
CLUBPLATINUMX.COM
THE GOOD THE BAD AND THE SLUTTY #3
FAYE RUNAWAY
ALSO STARRING: NAUTICA THORN, SINDEE JENNINGS, RENAE CRUZ, PAIGE TAYLOR & BRITNEY STEVENS
DIRECTED BY JUAN CUBA

***FROM THE SICK MIND** of director Juan Cuba come these twisted tales, guaranteed to get your rocks off. Six teenage girls power through three scenes, one of them being a competitive four-chick/three-dick free-for-all. Blondes, brunettes, big tits and little tits, vag nailing and ass pounding, there's a girl for every guy and everyone is going home happy.*

THE GOOD: NAUTICA THORN
THE GUY: MICHAEL STEFANO
IN "OUR LITTLE SECRET"

For some reason Nautica vacillates when trying to decide whether or not to make a booty call to Michael Stefano. Maybe she thought he'd turn her down, a concern she needn't have with Stefano or anyone else.

Stefano is at her door in no time, and he is well aware what this house call is about and immediately he's squeezing on her and then lifts up her skirt for a full inspection. Yep, the frilly panties look quite in order—and the hot teen body ain't bad, either! He tells her she's looking hot and kisses her a bit. She wants him to look at her dress and instead he plays a game of peek-a-boob, and suddenly her full, ripe breasts are on full display. The dress slowly makes its way to the floor as Stefano sucks on her hard nipples, but not before he can duck beneath and give her bare hole a lick and a promise.

But nothing is more promising than the sight of Nautica on her knees mouthing Stefano's manliness. Oh, the eagerness in her big, brown eyes as she strokes his rod and sucks on his balls. We all know where this kind of thing leads and soon both parties are nekked and Stefano has that big cock sliding in and out of her dripping gash.

They get on soft and sweet at first, Stefano whispering sweet somethings to our naughty teenage slut as he thrusts back and forth, representing his gender. It's a solid strategy, and soon the moaning teen is holding her legs back, taking every centimeter possible. Still not sure she's getting all of it, she gets on top and Stefano gives her a jackhammer from below, her tits offering a mild jiggle while her meaty cunt lips attempt to squeeze his hammer.

For a momentary break they lie facing each other, Nautica fingering her soft spot as she gives him a footjob. She pulls her fingers out, slides them into her mouth, and sucks the juice off them. "Want me to stick my cock back in there?" Stefano asks. "Yes, please," she purrs. She jumps back on top and grinds on him with everything she's got.

They follow with a doggie that morphs into a spoon. They push and pull until Stefano just can't take no more and he plops a few whopping globs of his creaminess onto her ass cheek and some all the way over and across her

stomach. She scoops up a little with a finger and does a taste-test, letting out an approving Mmmmmm. "Make sure you don't tell anybody at the office," she says, "I'm supposed to be a good girl."

"No problem," he tells her, "it's our little secret."

THE BAD: FAYE RUNAWAY THE GUY: MARK WOOD IN "FUCKIN' N ENTERING"

We don't give Faye the "Bad" label because she does a lame scene. Far from it, this newbie always puts on a scorching performance. No, we say she's bad because she is just one of those girls. She's got tons of tattoos, wears stiletto boots, leather jackets, probably started wearing makeup and fucking as soon as possible!

Yes, she's the good kind of bad! Though she does seem to cross the line here.

Today's scenario involves Miss Runaway (ever heard of a good runaway? Well, sure there was the all-girl band, the Runaways, but that's different!) taking a couple of her hoodlum friends over to the house of some guy she just fucked. Seems the guy had a lot of money and nice stuff and Faye thought she and her band of felons should have some of it. Told you she was bad!

Wouldn't you know it, not only does the guy come home while they're robbing the place, the guy is Mark Wood, the porn star! Faye, being a slut herself, sees only one way out of this scenario: anal sex. Let's listen in:

Mark: "You gonna roll me?"

Faye: "It was a mistake, I'm sorry."

Mark: "Yeah? Whattaya gonna do to change my fucking mind?"

Faye: "I'll let you fuck me in the ass. I'll let you do whatever you want to me."

Mark: "Yeah? You think you're going to use that again."

To all those people that whine about porno not being like it used to be, take note. This is classic porno dialogue and if you just heard that come from a circa-1974 Harry Reems, you'd say it was a classic. And this is a modern classic.

There's no surprise that Wood takes her up on her offer, after all, he just fucked her a few hours ago and knows how good her dirty stuff is. He pulls up her skirt and with one finger pulls her panties aside while another finger begins massaging her impressive lips.

She looks to be enjoying her role as the distractor when Mark unleashes his stiff flesh into her mouth. She looks up with big, brown eyes, pleased to please. She slobbers all over his prick and then obligingly lies on the couch, spreads her girleen legs, the tattooed bows running up each side as they live up to their decorative intent. He easily enters her backdoor and doesn't bother starting off slow. He stops frequently to show off her gaping corner hole for the camera. From every direction Faye makes damn sure he enters her exit in the deepest,

Fuck-happy Nautica Thorn says “hey” to Michael Stefano!

hardest way possible. Her pussy, though unused in this instance, gapes even without the least bit of prodding.

He does finally sneak it in her snatch, and Faye takes a wild ride up and down his steel. She squirts, dousing the camera lens. And it's fucking the pussy that gets his rocks off, Mark shooting a load all over her face before he exhausts himself. This is where Faye and her crew finally make off with all his shit. The perfect getaway.

THE SLUTTY: SINDEE JENNINGS, RENAE CRUZ, PAIGE TAYLOR, BRITNEY STEVENS
THE GUYS: MICHAEL STEFANO, MARK WOOD, MR. PETE
IN "SLUT PARTY"

If you go to just one party this year, please make it a Slut Party. Could anything in the world possibly top a gash-bash with attendees like these? Four of the most anxious and willing teen fuckholes you could gather in one room. Brilliant!

Wouldn't you know it, the lucky guys are some familiar faces. All the luck, these cats, always getting to test-drive the newest talent. At least we know the girls are in capable hands. First we get a meet-and-greet with the ladies, each gets a show-and-tell sequence that is mostly show, and then they settle in to the living room with a bag of toys.

Renae is riding a dildo; Britney is working a dildo inside Paige's snatch while playing with her own. Yes, this is our kind of party! Soon vibrators and dildos and double-dongs and tongues and pussy lips are flying in every corner of the room. The toys get bigger. Sindee ventures out on her own, trying to out-slut the others with a rousing solo performance. Meanwhile Renae and Paige had their way with Britney, probing and fondling and sucking.

And then the boys show up.

Three of them, all pros. Sindee sees them first and gets all their cocks in her mouth before they get past the front door. A kind of security/ID check, perhaps. She settles on Mr. Pete, doing nothing but bending over slightly so Mr. Pete can get his cock in as quickly as possible. Stefano gets a pair of brunettes taking care of his cock. And Wood nails Renae (who, porn connoisseurs will note, looks a little like Wood's wife, Francesca Le!) giving her a respectable opening round. From then on, it's a fast-moving, yet surprisingly easy-to-follow, romp. Every girl is eager for cock, so with four ladies and only three gentlemen, the competition is always fierce. The girls aren't afraid to work their way in on a guy even if the guy is mid-fuck. The lesson seems to be this: A group sex scene is no place to play the wallflower.

Every cock gets intimate with every pussy, and vice versa. Every rod and hole was worshipped in its due time. Even the greatest-ever Slut Party must finally come to an end. Renae puts Pete out of commission when his liquid electricity

shot out of his cock and onto her mouth. She snowballs a bit to Sindee, who is appreciative of her friend's generosity.

Renae then returns to fucking, mounting Mark, before all four girls line up on the floor for a grand finale dildo playoff! The winners are anointed when Mike and Mark share their love via globs of man-juice all over their faces. The runner-up is Britney Stevens, who takes Michael's shot of love, which Renae swoops in and licks off.

Then it's Mark's turn, and he chooses sexy Paige as the night's big winner. She smiles as he pops, revealing beautifully crooked teeth. The girls practically fall all over each other trying to kiss her and taste the last wonderful drops of whipped topping. Even after all that the girls are still ready to go—fantastic!

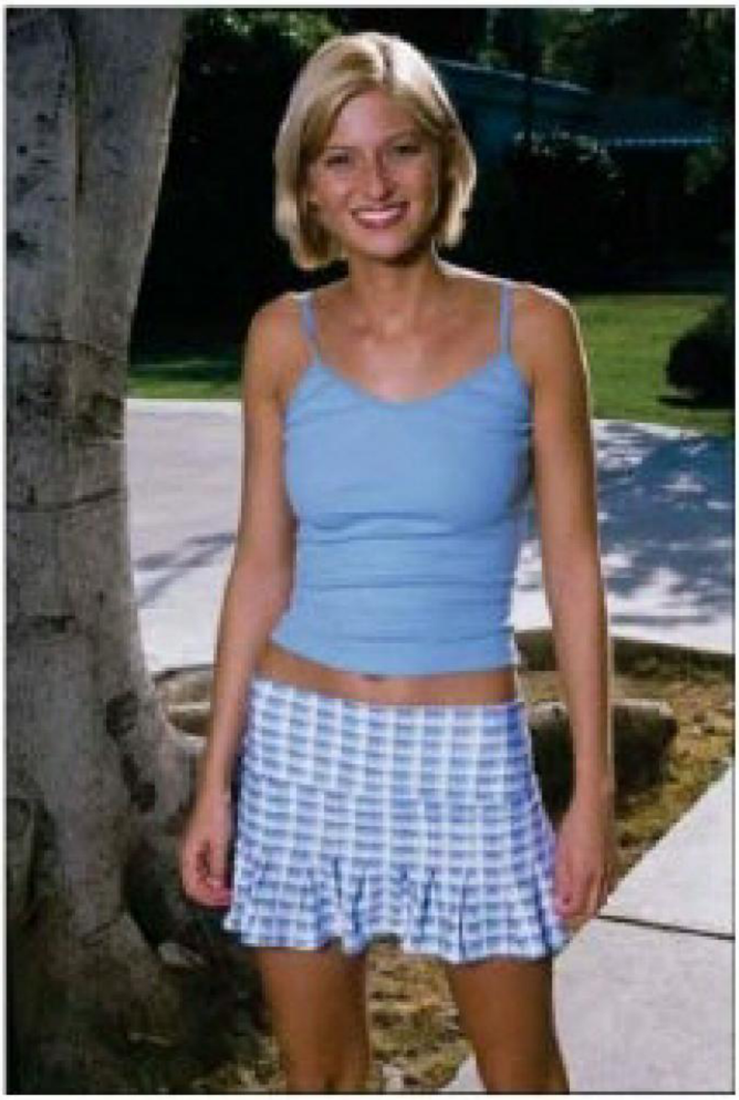
HEAVENLY HOTTIE

From her previous appearances in **Purely 18**, Nevaeh's horny fans know that her name is "heaven" spelled backward. And she is one sure slice of heaven, indeed. Nevaeh is a confident, young fox, who knows that guys are turned on to her like crazy, and she loves to get nude in the most unexpected places, and put on a show they'll never forget! Nevaeh, hopefully we won't all go to hell for worshipping a hottie from heaven!



Dayzjha

CRAZY, NOT LAZY

Man, this girl has some whacky way of spelling her name, but she is one hot, young chick! This 18-year-old likes to hang out in the weirdest positions (as you'll see over the next few pages), and from what we hear, she likes to have sex, hanging upside down and in every imaginable way. Dayzjha is an adorable and adventurous young babe, and for that, and her immense cuteness, she earns herself a spot in the prick-pleasing pages of **Purely 18!**
